

daniel lopez
graphic designer

Objective

Detail-oriented and self-motivated graphic designer looking to start a career, reach new goals, further my abilities and create new experiences.

Qualifications

1650 plus hours of training in:

- Photoshop CS3
- Illustrator CS3
- Indesign CS3
- Flash CS3
- Dreamweaver CS3
- Microsoft Word
- Microsoft PowerPoint

Personally completed many printed and digital graphic design projects from conception to production under short deadlines, completing many projects at the same time. Primarily taking my own photos. Strong understanding of the printing and prepress process. Able to keep cool under pressure and multitask.
